**Re: *In re Neurontin Antitrust Litigation*, MDL No. 1479
(FSH) (PS)**

Dear Judge Hochberg:

I write on behalf of our client, Cardinal Health, Inc. (“Cardinal Health”), in support of the pending motions seeking final approval of the proposed settlement and an attorneys’ fee award for Class Counsel in the above-captioned litigation.

Cardinal Health, an absent class member in the current litigation, is one of the three largest pharmaceutical distributors in the United States. As a result, it is our understanding that Cardinal Health’s claim for recovery from the settlement in this case will be one of the three largest.

Based on information from Class Counsel, our firm has fully informed Cardinal Health on the facts and circumstances of the case, the legal hurdles, and other risks involved in the case. Cardinal Health is satisfied the proposed settlement is fair and adequate and the proposed attorneys’ fee award of one-third of the settlement amount is appropriate in this case. In addition to the value of the settlement achieved on behalf of the class, this award is justified by the time and expense class counsel incurred in prosecuting and favorably resolving this complex litigation well over more than a decade.

For these reasons, Cardinal Health asks the Court to approve the settlement and supports Class Counsel’s application for attorneys’ fees and

reimbursement of costs, as well as Class Counsel's request for incentive awards for the named plaintiffs in this case.
